

Summer 1 - Tuesday 23rd April - Friday 24th June 2019

The information provided below will highlight the activities/themes 'planned' for this term.
We have suggested some items which your child is welcome to bring in to link in with the weeks activities.

(At times it may be necessary to change the planned activity)

<u>Week 1</u> (Monday 22 nd - BH) 23 rd - 26 th April	Supertato	We would be grateful for any donations of vegetables to link with the story	<p>Reading to children helps build vocabulary, stimulates imagination, and improves communication skills. Reading to children introduces them to the concepts of stories, numbers, letters, colours, and shapes, and gives them information about the world around them.</p> <p>The children really enjoyed our Story themes last term, so after careful questioning we have chosen some more stories the children have shown interest in.</p>
